

**Ask your committee
for information**

Users' Rights Week

Health and social
services network

The right to information

I have rights and
they include the
right to information

My users' or
in-patients' committee
protects my rights

Respect for my
right to quality
services

The Regroupement provincial des comités des usagers (RPCU) is the spokesperson for users' and in-patients' committees in Quebec health and social services institutions. It defends the rights of users and helps to improve the services offered.
